

## Sponsorship Information

### **About our program:**

**Who we are:** We are a showcase baseball program for High School aged players (14U-18U) based primarily out of Georgia. Most of our players are from the state of Georgia, as we have deep connections in Georgia, but every year we also have players from Alabama, Florida, Tennessee, and the Carolinas.

**Goals of our program:** The main two goals of our program are 1) to help players get better, and 2) to help them get seen. We develop our players through our experienced and knowledgeable coaching staff. We are not a daddy ball organization, and none of our players' parents will ever coach our teams. We pride ourselves in having young but experienced coaches, who recently played the game at a high level (college or professionally). In regards to helping our players get seen, we do this in a few ways. We play in top tier showcase tournaments, we help promote our players on social media, and we also conduct an organization wide scout day where we invite college coaches we have connections with to come watch our players showcase their skills. In the 2022 summer, we had 10 colleges represented at our scout day event. Additionally, we also help guide players and families in the recruiting process, as most, if not all, of our coaches recently went through the college recruitment process themselves.

**Schedule:** Our Summer schedule consists mostly of PBR and PG events around the Atlanta and Middle GA area. We will be competing in 2-3 PBR tournaments, 2 PG Invitational Tournaments, and we will also have our Summer Scout Day, Opening Intersquads, and All-Star Weekend.

**Fees/Cost:** The cost of our summer program for players is \$2150. Our players are young men striving to be the best baseball players they can be and extend their careers past high school. To do this, there are both financial and family sacrifices that must be made. Our schedule and events require rigorous travel for our players and their families. The nature of showcase baseball requires much travel as college coaches come to recruit and scout players at premier venues at various hotspots around the Southeast. Additionally, some of the costs associated with our program include: tournament entry fees, uniform expenses, coaches salaries, venue rentals, etc. Our players and their families can help offset summer costs through the help of sponsors. To sponsor a player, simply send the Coastal Stars a check with the Sponsored amount to us. The player's family will then get a discount for the sponsored amount for their summer cost.

**Payment Info:** Please make all checks payable to The Coastal Stars. Please include the sponsored player's name in the memo line. Checks can be mailed to the following address:

The Coastal Stars  
102 Silverbirch Lane  
Kathleen GA 31047
